Subject: VB/I-70 NOID for OU1 to appear in Federal Register tomorrow
Attachments: CEF Vasquez Boulevard and I-70 update 020519.docx

Hi everyone. Apparently, the VB/I-70 Notice of Intent to Delete Operable Unit 1, residential soils, is set to appear in the Federal Register tomorrow, Wed. Feb. 6. Attached are draft final outreach materials: public notice, press release, website announcement. Please review these and provide any last minute edits if you have them to me by noon today.

1. We will place a public notice in the Denver Post. A Spanish version will be placed in El Semanario. I'm still waiting to find out for sure what day they will run.
2. We will issue a press release.
3. We will send an email update to the CAG and others on our stakeholder list, which included local elected officials, business owners, and others.
4. We will place the NOID package in the local information repository and on our Website.
